Work Experience

Full Stack Developer

Jul 2024 - Present

CodSoft

Created an user interface for blog posts and navigation.

- Front-End Development : Built the client-side interface using HTML, CSS, and JavaScript.
- Backend Development : Developed a server-side code to handle user requests and manage blogs.

Campus Ambassador

Apr 2024 - Present

Internshala | Vashi

In this role as an Internshala Student Partner, I collected valuable feedback from students which contributed towards the enhancement of Internshala's offerings and user experience. Simultaneously, I honed my communication skills while developing strong leadership abilities by fostering professional connections.

Volunteer Experience

Public Relations Head

Oct 2023 - Present

Agnel's Debate Club

As the Public Relations Head of the Debate Club at my college, I led communication efforts to promote club activities. Managed social media, collaborated with other organizations. Enhanced leadership and communication skills through strategic planning and team management.
