OBJECTIVE

Java enthusiast and web developer with hands-on experience in various projects, eager to enter the corporate world with a focus on continuous learning and skill mastery to excel professionally.

EDUCATION

Bachelor of Electronics and Telecommunication   Expected 2025
Fr. C. Rodrigues Institute of Tech. Vashi, Navi Mumbai.

Higher Education   2018-2020
Shri Shivaji Science College, Amravati.

SKILLS

Technical Skills	Full-Stack development, Operating Systems, Cloud Platforms(AWS).
Languages	Java, JavaScript, HTML/CSS
Frameworks and Libraries	React, Node.js, Express.js, DSA (Data Structures and Algorithms)
Development Tools	Git, VS Code, Visual Studio, IntelliJ, Eclipse, Overleaf
Databases	MongoDB, MySQL, Database Management Systems (DBMS)

EXPERIENCE

Full Stack Developer   July 2024 - Sept 2024
CodSoft   *Remote*

- Created and maintained responsive, interactive web pages with HTML, CSS, and JavaScript, introducing new features and resolving bugs to enhance performance.
- Developed the client-side interface using HTML, CSS, and JavaScript to enhance front-end experiences.
- Developed a robust back-end infrastructure with MongoDB, Express, and Node.js to manage user requests and responses.

PROJECTS

Ayurvedic Medicine Recommendation Website: Developed and further working on a MERN stack website that leverages a machine learning model to recommend Ayurvedic medicine based on user-reported symptoms. The project integrates MongoDB for data management, Express and Node.js for server-side functionality, and React for a responsive, user-friendly interface, aiming to provide personalized health recommendations.

Landslide Detection and Warning Chatbot: Developed a Python and IoT-based chatbot system that integrates sensors to monitor rainfall, soil moisture, and ground movement. This system provides real-time data for risk assessment, issuing timely warnings and mitigation recommendations to improve safety and preparedness in landslide-prone areas.

EXTRA-CURRICULAR ACTIVITIES

- **Public Relations Head, Agnel's Debate Club**: Led the promotion of club activities, managed social media outreach, and coordinated with other organizations and college administration. This role strengthened leadership and communication skills through strategic planning and effective team management.

LEADERSHIP

- **Campus Ambassador, Internshala:** Promoted internships, organized events, and facilitated student engagement with the platform. Collected valuable student feedback to enhance Internshala's offerings, strengthening leadership, communication, and marketing skills while connecting peers to career opportunities.
